## ◆ CONTENTS:

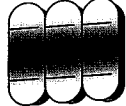

**Privacy Filter**

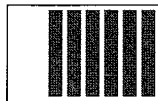

*(Note correct placement - notch should be in upper-right corner.)*

**Micro-Fiber Cleaning Cloth**

**Mounting Tabs**

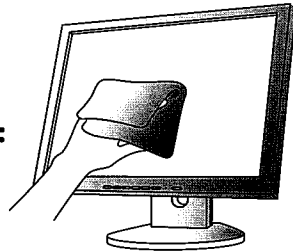

**Double-Sided Tape**

- ◆ **CARE:** To clean the filter, gently wipe it with the enclosed micro-fiber cleaning cloth.  
Do not rub the filter heavily or bend it, as this could damage its special coating.

## BEFORE INSTALLATION:

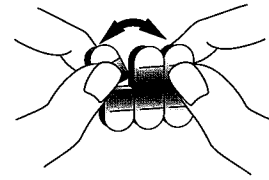

Carefully clean monitor surface with the enclosed micro-fiber cleaning cloth.
