## Projects

### Metallic Crowns

This project is super easy and fun for all ages.

#### Materials Needed:

- [Metallic Bordette®](#) - Any Color
- [Gemstones & Jewels](#)
- [Glitter Dots](#)
- Scissors
- White School Glue
- Stapler

#### Instructions:

1. Cut 24" of [Metallic Bordette®](#). Lay flat and decorate with [Gemstones & Jewels](#) and [Glitter Dots](#). Let dry.
2. After glue has dried, fit the Bordette® around the person's head that will wear it. Holding it together, remove and staple it.
