

Apollo® Horizon 2 Overhead Projector, 2000 Lumen Output, 10" x 10", Open Head V16000M

For powerful presentation capabilities, this overhead projector can brighten up any small room. With a 2000 lumen light output, this projector is perfect for classrooms and small-capacity meeting spaces. The open head lens keeps the projected image sharp, even at the corners. The built-in grips help makes set-up easier, and the lens head folds down for more compact storage.
