

Stereo Headset

Lightweight design with microphone and in-line volume control

Part No.: **164429**

Practical headset with full features.

The Manhattan Stereo Headset combines quality performance, comfortable design with a good value. The padded foam ear cushions and single headband adjust to fit almost any listener. Its lightweight design with flexible boom microphone provides quality audio performance and hands-free online communications. An in-line rotary control fingertip provides convenience for quick volume adjustments. A long, durable cable helps maintain a reliable connection from almost anywhere in the room.

Features:

- Stereo headphone with foam earpads
- Adjustable microphone and in-line volume control for hands-free communication
- Easy to install with 3.5mm stereo plugs
- Long cord easily reaches desktop and notebook computers and other devices
- Three-Year Warranty
