HSM SECURIO P44i

Professional shredder
Large Volume, High Performance

- High quality materials and "Made in Germany" quality for safety and durability.
- Cutting rollers made of hardened steel rollers. Integrated automatic oiler provides consistently high cutting capacity (HSM1873,HSM1872, HSM1875).
- The innovative drive and operating concept IntelligentDrive offers silent, standard and performance operating modes for destroying data efficiently.
- Intuitive operation and menu selection via the high resolution touch display.
- Powerful motor allows for continuous operation.
- High degree of energy saving due to stand-by and automatic switch-off.
- Anti-Jam technology. The machine recognizes very quickly if too much paper has been fed in and reacts autonomously.
- The device automatically switches off if pressure is applied to the safety element.
- Light barrier for automatic start/stop.
- Mobile on castors.
- The button lock feature prevents unintentional use.
- High quality wooden floor cabinet with door.
- Level indicator through inspection window.
- Requires a 20 amp dedicated line with 20 amp receptacle.
- Uses a 96 gallon capacity shred bag; Part #HSM2523
