

HSM® Classic

104.3 document shredder

An ideal device for small offices and home offices

- High quality materials for security and durability
- Automatic start/stop control
- Energy Management Control System Zero Power: consumes Zero Power in standby mode
- Rocker switch for on/off and reverse to release overfed paper
- Auto stop when container is full or door is open
- Safety shield at feed opening
- Integrated bin can be tilted out and used as a waste paper basket for non-confidential documents
- Hardened 100% solid steel cutting rollers can handle occasional standard paper clips or staples
- Powerful specifically adjusted drive for high performance, and for longer periods of use; motor with thermal protection
- Enclosed housing protects against paper dust
- Shred bin has large window to view fill level
- Strip cut model can also shred CD/DVDs
- Uses an 11 gallon capacity shred bag; Part #HSM1310
