

Monitor Wall Mount

Adjustable

Part No.: [432351](#)

Better utilize work space, improve ergonomics and share views.

The Manhattan LCD Wall Mount provides a secure and elevated position for a single flat-panel display to help keep valuable desk and work space free and uncluttered. Its adjustable tilt, rotate, side-to-side settings enable a comfortable and productive viewing position. Durable die-cast aluminum construction and two-piece bracket provide a quick, easy and secure mount to most vertical surfaces. VESA compliant and ready to install with included hardware.

Features:

- Securely holds one LCD monitor on wall to improve views, increase work space and minimize clutter
- Optimize monitor view with tilt, rotate and side-to-side adjustments
- Two-piece bracket with heavy-duty, steel construction easily mounts to most vertical surfaces
- Low-profile installation ideal for home, office and commercial applications
- Meets VESA standards — fits monitors from 13" to 22" and up to 26 pounds
- Lifetime Warranty
