Green (GN)

Black Vinyl (BV)

From laundry detergent bottles into chairs, the cycle continues with the Cava® Urth chair. Cava Urth was designed with multiple components made from recycled materials, such as plastic laundry detergent bottles. 100% of core components are manufactured from recycled post consumer and post industrial materials. Generously sized cushions for comfort. Durable construction provides strength and stability. Fabric is made from 100% recycled materials (not including vinyl). Additionally, the Cava Urth is over 99% recyclable by weight, so its life continues even after the seating experience ends. Finish on frame helps resist scratches. Made in USA. Limited lifetime warranty.

Fabric	Description	Overall Dimensions	Seat W x D	Back W x D	Ship Wt.	List Each
