Pro Access Point
AP600EX

Pro Smart Repeater
SR600EX

Pro USB Adapter
UA600EX

- Great for extending Wi-Fi coverage in large outdoor areas, such as marinas, parks and offices
- Provide up to 1.5 miles of Wi-Fi connectivity for boats, RVs, large buildings and building to building applications
- Feature a weatherproof enclosure for indoor or outdoor use
- Include heavy duty outdoor cables and professional mounting kits for wall, pole or desktop installations

High Power Wireless-N 600mW Pro Access Point AP600EX

PROFESSIONAL
UP TO 1.5 MILES*

Adds long range Wi-Fi access, up to 1.5 miles, for outdoor areas, large buildings, building to building applications & more.

High Power Wireless-N 600mW Pro Smart Repeater SR600EX

PROFESSIONAL
UP TO 1.5 MILES*

Extends the range of an indoor/outdoor Wi-Fi network by up to 1.5 miles.

High Power Wireless-N 600mW Pro USB Adapter UA600EX

PROFESSIONAL
4X RANGE*

Provides Mac and Windows computers with extreme range Wi-Fi connectivity up to 1.5 miles.

High Power Outdoor Antennas and Cables

Expand your Wireless Coverage Outdoors with a full line of premium outdoor antennas and cables.

DIFFERENCE

■ High Power Wireless Amplifiers & Antennas

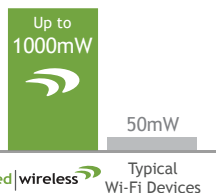

High Power amplifiers and antennas boost the wireless performance and output power of a Wi-Fi device to maximize wireless coverage.

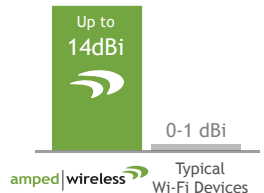

Typical Wi-Fi devices have 50mW of output power and 0dBi antenna gain. Amped Wireless products feature up to 1000mW of output power and 14dBi high power antennas.

The Leader in High Power Wireless Networking

HIGH POWER, LONG RANGE WIRELESS SOLUTIONS

Home • Office • Boat • RV
Special Applications

HIGH POWER ROUTERS

HIGH POWER REPEATERS

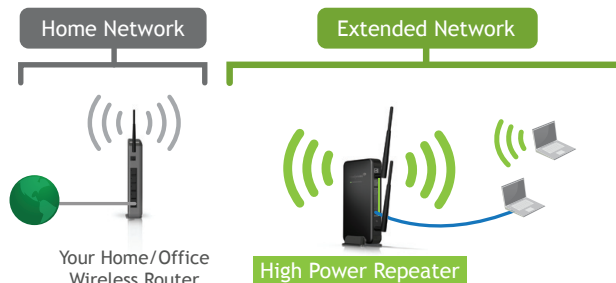

HIGH POWER USB ADAPTERS

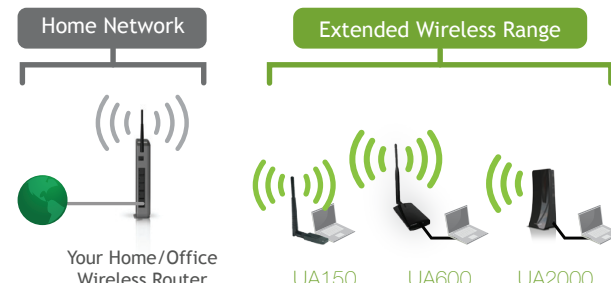

Share your broadband Internet connection and deliver up to 10,000 sq ft of wireless coverage.

- High Power Amplifiers and Antennas provide maximum range and performance
- Includes up to 4 wired ports for connecting additional wired devices

Extend the range of any Wi-Fi network by up to 10,000 sq ft. Universal: Works with all brands and networks.

- High Power Amplifiers and Antennas provide maximum range and performance
- Includes up to 5 wired ports for connecting additional wired devices

Connect your Mac or Windows PC to wireless networks.

- High Power Amplifiers and Antennas provide maximum range and performance

High Power Wireless-300N Smart Access Point AP300

Add long range, high speed 300Mbps wireless access to an existing network.

PLUS
5,000 SQ FT*

High Power Wireless-N 600mW Smart Router R10000

Share your broadband Internet connection and deliver extreme range wireless access.

PREMIUM
10,000 SQ FT*

High Power Wireless-N 600mW Gigabit Router R10000G

Share your broadband Internet connection and deliver extreme range wireless access with gigabit networking.

PREMIUM
10,000 SQ FT*

High Power Wireless-N Dual Band 600mW Gigabit Router R20000G

Share your broadband Internet connection and deliver extreme range dual band (2.4GHz and 5.0GHz) wireless access with gigabit networking.

PREMIUM
10,000 SQ FT*

High Power Wireless-N Smart Repeater SR150

Extends Wi-Fi range by up to 3000 sq ft with 150N Wi-Fi speeds. Great for everyday web activities, e-mailing, & online music.

PLUS
3,000 SQ FT*

High Power Wireless-300N Smart Repeater SR300

Extends Wi-Fi range by up to 5000 sq ft with 300N Wi-Fi speeds. Great for high traffic networks, video streaming, & gaming.

PLUS
5,000 SQ FT*

High Power Wireless-N 600mW Smart Repeater SR10000

Extends the range of any 2.4GHz wireless network up to 10,000 sq ft. Great for large homes and offices.

PREMIUM
10,000 SQ FT*

High Power Wireless-N Dual Band 600mW Smart Repeater SR20000G

Extends the range of any 2.4GHz and 5.0GHz wireless networks and provide up to 5 gigabit networking wired connections.

PREMIUM
10,000 SQ FT*

High Power Wireless-N Compact USB Adapter UA150C

Long range, high power Wi-Fi in a compact, travel friendly size. Features a 100mW amplifier and High Power 3dBi antenna.

PLUS
2X RANGE*

High Power Wireless-N 600mW USB Adapter UA600

Features a High Power 600mW amplifier, 5dBi antenna and 300Mbps Wi-Fi data speed for maximum Wi-Fi performance.

PREMIUM
3X RANGE*

High Power Wireless-N Dual Band Directional USB Adapter UA2000

Features two Dual Band High Power Amplifiers, 5dBi Antennas and connects to both, 5GHz or 2.4GHz networks.

PREMIUM-DB
3X RANGE*

Specifications are subject to change without notice.

* Range specifications are based on independent test results. Actual performance may vary due to differences in operating environments, building materials and wireless obstructions. Performance may increase or decrease over the stated specification. Wireless coverage claims are used only as a reference and are not guaranteed as each wireless network is uniquely different. To achieve wireless range of up to 1.5 miles, it is necessary to use Amped Wireless Pro Series products together with line of sight.
