Heavy Duty Auto Totaling Time Clock

PYRAMID™
SIMPLE & SMART®

Hands-on payroll calculations.

The **5000HD Heavy Duty Auto Totaling Time Clock** minimizes payroll processing time and eliminates calculation errors. Constructed of heavy duty steel to hold up in harsh workplaces such as garages, warehouses, manufacturing facilities and environments with dirt, debris or damage potential. Totals weekly, bi-weekly, semi-monthly, or monthly pay periods for up to 100 employees. Totals actual or rounded time, including 5, 10 and 15 minute rounding. Auto-feeding time card alignment ensures quick & precise time card punches. Simple set-up and simple operation make this time clock a favorite with small business!

○ Constructed of heavy duty industrial-grade steel to withstand harsh environments

○ Automatically calculates worked time between punches & accumulates worked hours for weekly, bi-weekly, semi-monthly or monthly pay periods

○ Totals actual or rounded time, 5, 10 & 15 minute rules for "clean calculations"

○ Auto-align top loading time card feed saves time, eliminates card jams & enables single-hand operation

○ Interfaces with TimeTrax Sync™ Bell Ringer and transmits time signal to TimeTraxSync™ Analog and Digital Clocks

○ English, Spanish or French menu programming

○ Manages up to 100 employees
