

# AS10

## CCD Barcode Scanner

### **Economical and durable**

The AS10 CCD barcode scanner is a reliable barcode reader suitable for a wide range of environments. The AS10's features and price make it the best solution for retail, medical, and light industrial applications.

### **Increase Efficiency and Productivity**

The Unitech AS10's powerful, built-in decoder reads and discriminates all major symbologies, reducing processing time and labor costs, while increasing accuracy. The decoder also allows editing and modifying scanned data before sending it to the host device.

### **Reliable and Versatile**

Barcode menus provide extensive configuration options. The settings can then be cloned to other readers through the use of custom barcode labels.

### **Main Features:**

- Complete data formatting and editing capabilities
- Reads most commonly used bar code symbologies
- Easy to use and configure
- Ergonomic design
- Economical and durable
