

Provides rugged protection in both laptop and tablet modes

Product Description:

Our most protective tablet solution! Designed to provide optimum levels of protection and convenience no matter who, how, or where it's used! The case comes complete with a removable protective screen cover and shoulder strap.

Features and Benefits:

- Rugged Protection**
 Shock absorbing case materials provide rugged protection in both tablet and laptop modes - fold away screen cover also protects the display when not in use
- Increased Productivity**
 The built in elastic X-strap will increase productivity by allowing you to hold your Revolve in the most comfortable position for extended periods of time
- Ergonomic**
 Handle and shoulder strap offer a range of ergonomic carry options that will reduce arm fatigue and back strain
- Convenient**
 Allows full machine functionality in tablet and laptop modes
- Mobile**
 Optional user harness (not shown) provides genuine mobility by allowing you to hold the tablet completely hands-free
