INFORMATION

The Syva - High Performance In-ear Headset is the result of the exceptional style and quality ROCCAT™ is renowned for. If you're a smartphone- and/or notebook-user, an avid music listener and an out-and-out hardcore gamer, the Syva's got your back - delivering top class audio in every case.

TOP CLASS AUDIO

With high quality 10mm speaker units in each ear bud, the Syva delivers exceptionally top class audio with deep bass and crisp trebles.

ULTRA LOW WEIGHT

Ultra low in weight, the easy-to-wear Syva is comfortable for extended periods of time, perfect for gamers who demand the utmost in comfort.

IN-CABLE MIC

An omni-directional microphone is integrated into the stylish, tangle-resistant ROCCAT™-colored ribbon cable, which also features a call/play button.

FEATURES

- Top class audio with deep bass and crisp trebles
- Ultra low in weight – easy to wear for extended periods
- In-cable microphone for voice chat with enhanced clarity
- Premium comfort thanks to three ergonomic ear tip sizes
- In-cable remote for on-the-fly control over your audio
- Stylish ribbon cable – ROCCAT-colored cable resists tangles
