

## BTX ThermoFresh® Home Coffee Brewer

**Model BTX**

### **Features**

#### **10-Cup ThermoFresh Home Brewer**

BUNN brewing perfection with the convenience and consistency of a thermal carafe. Coffee lovers can have hot fresh coffee ready to pour anywhere without overheating.

- Stainless steel vacuum insulated carafe keeps coffee hot without overheating.
- Unbreakable double wall carafe.
- Convenient close-and-brew lid.
- No warmer needed.
- Brews 10 cups of perfect coffee in 3 minutes.
- Produces exceptional, café quality coffee.
- Stainless steel tank holds ready-to-brew hot water.
- Internal thermostat keeps water at ideal brewing temperature.
- Patented sprayhead design improves coffee flavour extraction.
- Vacation switch turns tank heat off.
- Decanter holds 50 ounces (10 cups).
- Color: Black with stainless.
