S24E200BL

23.6" desktop monitor

Eco-friendly. User-friendly. Extremely budget-friendly. That's what the Samsung S24E200BL 23.6" monitor is all about. A perfect value monitor for everyday tasks, the S24E200BL features approximately 30% recycled material, less than 0.1W Off Mode power consumption, and a simple, easy-to-use design, all at a reasonable cost. A low-glare commercial-grade 23.6" TN panel, VGA and DVI connections, a matte black bezel with clearly labeled buttons, speaker bar compatibility, VESA mount compatibility and a 3-year warranty round out the features of the Samsung S24E200BL. It's a hard-working, economical 23.6" monitor for business, today and in the future.

Key features

Environmentally friendly

Industry-leading features include approximately 30% recycled material, less than 0.1W Off Mode power consumption, Eco features to reduce power consumption when the monitor's in use, and fully recyclable packaging.

Impressive picture quality

The LED-backlit LCD screen delivers sharp, bright, beautiful images. Mega infinity dynamic contrast ratio ensures subtle detail even in the lights and darks, and MagicAngle technology delivers improved color even when viewed off-angle.

Slim design that fits any desk

The sleek, stylish design and low-profile stand take up less desk space and contribute to a cleaner-looking office. The built-in cable management feature also contributes to a clutter-free work environment.

Easy on the eyes

When Eye Saver Mode is active, blue light levels are lowered, for reduced eye strain during long work hours. Flicker-free technology adds further viewing comfort by eliminating flickering at all levels of brightness.

Speaker bar ready

The Samsung SPU10 (sold separately) is designed to be attached seamlessly to the back of compatible Samsung monitors. It adds rich stereo sound without taking up an inch of desk space.
