# A HIGHER DEGREE OF PRODUCTIVITY

## THE SMARTER WAY TO START

Calling all startups. Small business owners. Mobile workers. You've started a business from the ground up, and need an affordable workspace that works as hard as you do. Creating a professional office used to require a master's degree in space planning. Now it only takes the office essentials found in the 101 Series. The condensed offering simplifies ordering, and the fully assembled units make installation a breeze. Better yet, the HON Full Lifetime Warranty delivers the confidence every business owner needs. So when you're ready take your business to the next level, you're ready to sign up for 101.

## 101 IS A QUICK STUDY

Countless hours can be spent planning an office space. Specifying. Assembling. Installing. But sometimes, you just need an office space that will quickly boost your productivity. The 101 Series provides a professional workspace without all the hassles and expensive extras you don't need. Worksurfaces that let you spread out and stay focused. Storage and bookcases to help you get organized. 101 is a crash course in understanding the needs of business owners, while respecting their time and budget constraints.

**A. GO VERTICAL**

Access a binder. Tack up a note. With this stack-on storage cabinet and tackboard, you can do more in less space.

**B. GET A GRIP**

101 features sleek Silver bow handles to create a contemporary aesthetic.

**C. FIND YOUR EDGE**

The attractive square edge band is not only durable, it's impermeable. Applied with industrial strength adhesive, it provides a flush fit and prevents damage or peeling for years to come.

**D. SMOOTH OPERATOR**

Organize legal and letter documents in 101 lateral files, and easily access them via smooth sliding ball-bearing drawer suspensions.
