Product name

VTech CS6949-2 DECT 6.0 Expandable Cordless Phone with Answering System and Caller ID, 2 handsets, Silver/Black

Product description

Complete with corded and cordless handsets, the VTech CS6949-2 DECT 6.0 Expandable Cordless Phone with Answering System and Caller ID makes staying in touch easier than ever. The corded handset means you won't have to search for a missing ringing handset, while the cordless handsets let you take calls into another room. A large backlit display on the base and built-in digital answering system make it easy to review missed calls.

Using DECT 6.0 technology, the VTech CS6949-2 DECT 6.0 Expandable Cordless Phone with Answering System and Caller ID gives you private, interference-free sound from any room in your home. Add up to three accessory handsets in minutes with just one phone jack.
