Airforce Hand Dryer

High-Speed Energy-Efficient Hand Dryer

Airforce is an environmentally friendly ambient temperature hand dryer. Airforce is manufactured with patented SteriTouch® antimicrobial technology reducing the build-up and spread of germs, mold and bacteria. Its modern sleek design complements any washroom décor.

Fast - 12 second dry time, 2.5X faster than the traditional hand dryers

Energy Efficient - Uses only 48% energy of traditional hand dryers; 30% more energy efficient than competitive high speed hand dryers

Cost Savings - 95% cost savings compared to paper towels

Hygienic - Incorporates SteriTouch® antimicrobial technology inhibiting the growth of bacteria, mold and fungus extending the dryer's service life

Automatic Operation - Promotes healthy hygiene.

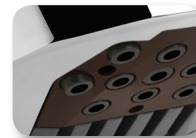

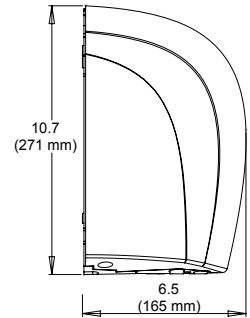

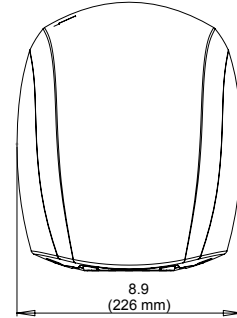

Easy Field Service - Modular part design for easy field service.

Sleek Design - Modern design complements any washroom décor.
