

**ZBook performance, smaller than ever**

Our thinnest, lightest ZBook ever provides true portability for people who push their typical office computer past the breaking point. Whether in the office or out in the field, you'll get high-speed, reliable performance.

HP recommends Windows 10 Pro.

Designed for road warriors

Weighing in at less than 3.5 lbs[2], you get high performance without the weight. And with the latest connectivity[3] and security features, you don't have to worry about losing your connection or compromising your valuable data when you're on the move.

Power user performance

Say goodbye to slowdowns. Power through your projects and cut through your workload with 8th Gen Intel® processors and 50% faster graphics[4] than our last gen. Open large files and run multiple apps for unrestricted multitasking and productivity.

Software certified

Work confidently knowing your laptop is certified to tackle the most demanding applications. We've partnered with leading professional software providers to ensure your ZBook is optimized for peak performance.
