

HP B300 Bracket with Power Supply Holder (7DB37AT)

Create a compact, efficient workspace

Customize an altogether better solution with the HP B300 Bracket with Power Supply Holder, which lets you attach your HP Workstation, HP Desktop Mini, HP Chromebox or select HP Thin Client directly behind select HP EliteDisplays and HP Z Displays.[1]

Maximize your space and keep things tidy

Make room with an easy, single-footprint solution. Attach the bracket to the back of your display's stand, and your PC to the bracket. Reduce cable clutter with short USB A-to-B and DisplayPort™ cables and an integrated power supply holder.[2]

Work comfortably

Retain the comfort features of your HP Elite Display or HP Z Display. The bracket doesn't interfere with the display's height adjustment, tilt, swivel or pivot settings.

Rest easy

Get the reassurance of a one-year limited warranty.
