

Ergonomic Laptop Stand (Silver)

No more back and neck pain!

Easy portability

Fold up your laptop stand and easily take it with you. Never settle for less at home or on the road.

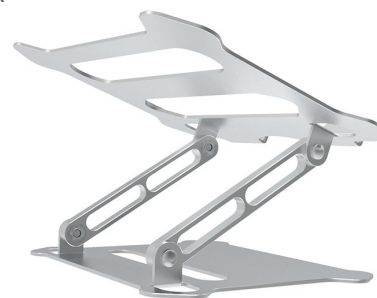

Wide Laptop Compatibility

Works with most laptops. Compatible with 10" to 17.3" laptops or tablets. Supports up to 13lbs.

Ergonomic Adjustments

Adjust your laptop height and angle to provide the perfect viewing angle to help prevent shoulder, neck, and back pain. Work for longer with less strain on your body.

Keep it cool

Aluminum alloy draws away the heat from the laptop and the hollow panel allows for better air flow to help cool.
