

Experience the ultimate audio freedom with the Adesso Xtream T3 Wireless Earbuds, featuring advanced Bluetooth 5.3 technology for seamless, reliable connectivity and lossless audio. These true wireless stereo earbuds boast dual microphones, ensuring crystal-clear conversations even in noisy environments. Compact in design, they fit snugly in your ears for all-day comfort. Effortlessly control your music and calls with intuitive touch controlled LCD, while its ergonomic design provides a secure fit making it perfect for watching movies, workouts or conference calls.

■ Touch Screen

With the T3's intuitive built-in touch screen, you can effortlessly control your music with a simple tap to play or pause. Adjust the volume to find the perfect sound level, and customize the noise reduction settings to block out distractions. The touch screen also allows you to fine-tune the advanced equalizer for a personalized audio experience and quickly adjust screen brightness to suit any environment. These features ensure a seamless, user-friendly experience, giving you full control over your settings with just a few taps.

■ High-Definition Audio

The Xtream T3 utilizes advanced digital audio processing technology, delivering clear high, mid, and low-range frequencies. Whether you're listening to electronic, pop, classical, or rock music, the T3 accurately reproduces every note, providing a full, enhanced audio experience.

■ Active Noise Cancellation

The T3 offers active noise cancellation that's truly remarkable for its size. It effectively blocks out external noise, creating a listening experience free of unwanted ambient sounds. Whether you're in a noisy office, on an airplane or train, or just looking to tune out, the T3 earphones let you immerse yourself in your videos, music, or conference calls without distractions.

■ Charging Case

Convenient Charging Case: Keep your Bluetooth earbuds powered with a sleek, portable charging case. Offering quick recharges on the go, it ensures extended listening time and safe storage with a compact, pocket-friendly design.
