

Choose from the family of HP Paper Shredders for your home and business

HP Crosscut and Microcut shredders protect all sensitive documents to avoid identity theft. Pick from our full range of crosscut shredders which feature pullout bins and casters for easy mobility or our microcut shredders that are the ultimate in document security by shredding into unreadable confetti size pieces.

Designed for style, function and performance with our unique designed slide top housing and oversized shredder bins. HP continues a tradition of quality product priced for home and office use.

The best choice in paper shredding
